

## **School Prayer**

Loving God,  
for all that has been, thank you;  
for all that now is, thank you,  
for all that is to come, thank you.  
May we, the heirs of the past,  
the children of the present,  
the makers of the future,  
know that you are with us  
always and everywhere.  
For Jesus' sake. Amen.
