Dear Ms May,

I would like to thank you for my visit to St Saviour's and St Olave's Church of England School this term. It was a pleasure to visit the school, and a valuable opportunity to discuss online safety with your staff and students.

The students I met represented themselves and the school incredibly well, and I valued their open and honest insights into how young people spend time online, keep themselves safe in this domain and support others to do the same.

I am equally thankful to yourself and key members of staff for taking the time to discuss what the school's work in prioritising online safety education. The approach you have taken to tackling this issue and working with parents to support their own understanding of the online world is very encouraging.

Finally, I was also pleased to hear of your participation in the Be Strong Online programme as part of the Diana Award Anti-Bullying Campaign, and I wish you every success with this for the future.

Please pass on my sincere thanks to your staff and students for taking the time to meet with me.

Yours sincerely,

Damian Hinds
