## **1. Aims**

Our school aims to:

- Have robust, clear processes in place for charging and remissions
- Clearly set out the types of activity that can be charged for and when charges will be made

## **2. Legislation and guidance**

This policy is based on advice from the Department for Education (DfE) on charging for school activities and the Education Act 1996, sections 449-462 of which set out the law on charging for school activities in maintained schools in England.

## **3. Definitions**

- Charge: a fee payable for specifically defined activities
- Remission: the cancellation of a charge which would normally be payable

## **4. Roles and responsibilities**

### **4.1 The governing board**

The governing board has overall responsibility for approving the charging and remissions policy, but can delegate this to a committee, an individual governor or the headteacher.

In our school, monitoring the implementation of this policy has been delegated to Resources Committee

### **4.2 The headteacher**

The headteacher is responsible for ensuring staff are familiar with the charging and remissions policy, and that it is being applied consistently.

### **4.3 Staff**

Our staff are responsible for:

- Implementing the charging and remissions policy consistently
- Notifying the headteacher of any specific circumstances which they are unsure about or where they are not certain if the policy applies

The senior leadership team will provide staff with appropriate training in relation to this policy and its implementation.

#### **4.4 Parents**

Parents are expected to notify staff or the headteacher of any concerns or queries regarding the charging and remissions policy.

### **5. Where charges cannot be made**

Below we set out **what the school cannot charge for**:

#### **5.1 Education**

- Admission applications
- Education provided during school hours (including the supply of any materials, books, instruments or other equipment)
- Education provided outside school hours if it is part of:
  - The national curriculum
  - A syllabus for a prescribed public examination that the student is being prepared for at the school
  - Religious education
- Instrumental or vocal tuition, for students learning individually or in groups, unless the tuition is provided at the request of the student's parent
- Entry for a prescribed public examination if the student has been prepared for it at the school
- Examination re-sit(s) if the student is being prepared for the re-sit(s) at the school

#### **5.2 Transport**

- Transporting registered students to or from the school premises, where the local authority has a statutory obligation to provide transport
- Transporting registered students to other premises where the governing board or local authority has arranged for students to be educated
- Transport that enables a student to meet an examination requirement when he or she has been prepared for that examination at the school
- Transport provided in connection with an educational visit

#### **5.3 Residential visits**

- Education provided on any visit that takes place during school hours
- Education provided on any visit that takes place outside school hours if it is part of:
  - The national curriculum
  - A syllabus for a prescribed public examination that the student is being prepared for at the school
  - Religious education
- Supply teachers to cover for those teachers who are absent from school accompanying students on a residential visit

## 6. Where charges can be made

Below we set out **what the school can charge for**.

### 6.1 Education

- Any materials, books, instruments or equipment, where the child's parent wishes him or her to own them
- Optional extras (see below)
- Community facilities

### 6.2 Optional extras

We are able to charge for activities known as 'optional extras'. In these cases, the school can charge for providing materials, books, instruments or equipment. The following are optional extras:

- Education provided outside of school time that is not part of:
  - The national curriculum
  - A syllabus for a prescribed public examination that the student is being prepared for at the school
- Examination entry fee(s) if the registered student has not been prepared for the examination(s) at the school
- Transport (other than transport that is required to take the student to school or to other premises where the local authority/governing board has arranged for the student to be provided with education)
- Board and lodging for a student on a residential visit

When calculating the cost of optional extras, an amount may be included in relation to:

- Any materials, books, instruments or equipment provided in connection with the optional extra
- The cost of buildings and accommodation
- Non-teaching staff
- Teaching staff engaged under contracts for services purely to provide an optional extra (including supply teachers engaged specifically to provide the optional extra)
- The cost, or an appropriate proportion of the costs, for teaching staff employed to provide tuition in playing a musical instrument, or vocal tuition, where the tuition is an optional extra

Any charge made in respect of individual students will not be greater than the actual cost of providing the optional extra activity, divided equally by the number of students participating.

Any charge will not include an element of subsidy for any other students who wish to take part in the activity but whose parents are unwilling or unable to pay the full charge.

In cases where a small proportion of the activity takes place during school hours, the charge cannot include the cost of alternative provision for those students who do not wish to participate.

Parental agreement is necessary for the provision of an optional extra which is to be charged for.

#### **6.4 Residential visits**

We can charge for board and lodging on residential visits, but the charge will not exceed the actual cost.

#### **7. Voluntary contributions**

As an exception to the requirements set out in section 5 of this policy, the school is able to ask for voluntary contributions from parents to fund activities during school hours which would not otherwise be possible.

Some activities for which the school may ask parents for voluntary contributions include: school trips.

**There is no obligation for parents to make any contribution, and no child will be excluded from an activity if their parents are unwilling or unable to pay.** If the school is unable to raise enough funds for an activity or visit, then it will be cancelled.

#### **8. Remissions**

In some circumstances the school may not charge for items or activities set out in sections 6 and 7 of this policy. This will be at the discretion of the governing board and will depend on the activity in question.

#### **9. Public Examinations**

Please refer to the school's Exam Policy which sets out the charging arrangements for Exam Fees.

#### **10. Breakage or Willful Damage to School Property**

In cases of willful or malicious damage to school property or equipment, loss of school books or equipment on loan to pupils the Headteacher in consultation with the Chair of the Governing Body may decide to make a charge. Each incident will be dealt with on its own merit and at their discretion.

#### **11. Monitoring arrangements**

The School Business Manager (SBM) monitors charges and remissions, and ensures these comply with this policy.

This policy will be reviewed by SBM every two years. At every review, the policy will be approved by Resources Committee.
