Friday 6th November 2020

Dear Parents and Carers,

It has been a great first week back after the half term break and the Year 11 mock exams have started really well – thank you so much for your support with this.

As we move into a new period of additional restrictions, your continuing support is vital in ensuring that we are able to remain open. If your daughter develops symptoms of Covid-19 please do not send her to school. A reminder of the 3 main symptoms of Coronavirus:

- A new continuous cough
- A high temperature
- Loss of taste and / or smell

If your daughter or anyone within the same household develops symptoms and is tested for Coronavirus, please contact the school office and keep us updated. It is particularly important that you contact the school if your daughter or anyone in the same household tests positive. Similarly if you or your daughter are contacted by Contact Tracing and advised to self-isolate, please inform the school as soon as possible.

Every student must wear a mask on arrival to school, in all communal areas and when travelling on public transport. They must also respect the 2metre distance rule around staff.

I am confident that if we are all vigilant and observe the restrictions carefully, we can maintain a quality education for our students.

Finally, a small number of staff who are extremely clinically vulnerable are now shielding again, and in times of staff absence I need to rely on supply teachers to deliver the work that will be set by our own staff. Our students are generally very welcoming and respectful towards our visitors and I would expect the same behaviour towards our supply teaching staff who are crucial to our school at this critical time.

Have a restful weekend.

Yours sincerely

Catherine May
