instruments**

COMPASSIONATE REFLECTIVE INCLUSIVE SUPPORTIVE TRANSFORMATIVE

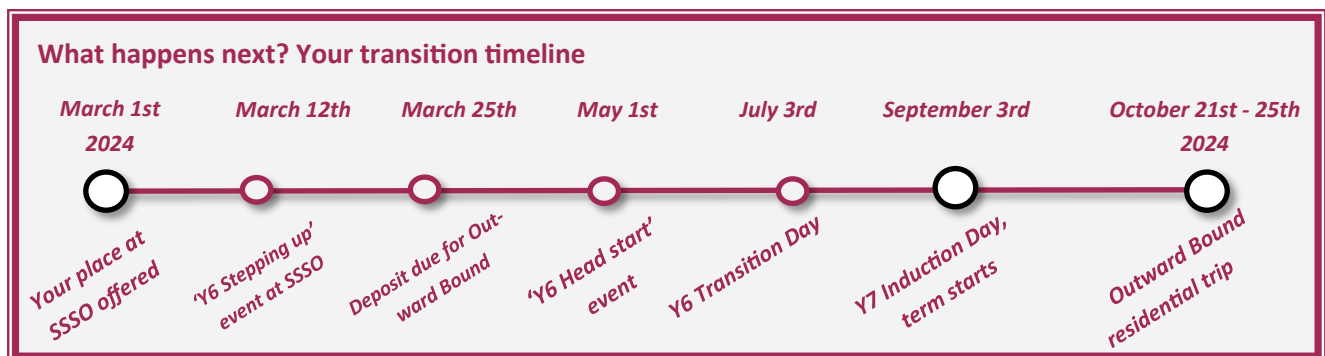

St Saviour's & St Olave's School

And this is what happens next:

We will get to meet one another properly on Tuesday 12th March, when all Y6 parents, carers and students are invited in for an event called **Y6 Stepping Up**. This will be the first of several events between now and the start of Y7, which are designed to smooth the transition process for all concerned. We look forward to seeing you there. The event will begin at 5pm and finish at 6.30pm. There will be talks, information stands and mingling, along with light refreshments. Please click on this link to confirm that you will be attending:
