## Summer Term News Round-Up Part 1

Dear parents/carers and students

The summer holidays are finally upon us, and staff and students are definitely looking forward to a break. The final week with its record breaking temperatures has been quite a challenge, but I am absolutely delighted that we got through this year with no closures and no learning from home. This is a bumper edition of a newsletter, which at time of writing we are having to consider sending in instalments as there is so much to share with you. It is wonderful to be back to more usual activities and providing a wider range of opportunities for all our students.

This time of year is always bittersweet. We are looking forward to the summer, and everyone moving up a year, and new students joining us. However, it is also a time when we say farewell to students going off to university or into an apprenticeship. We also say farewell to some valued colleagues. a number of staff are moving on to promoted positions and we wish them well in their new roles. Two long standing members of staff are moving into retirement, and we

wish them a long, happy, healthy retirement. We are hugely grateful for all they have done for our school over their ten and twenty seven years respectively, THANKYOU to Mr Bartzis and Mr Harrison. We will miss you.

Have a wonderful summer, and we look forward to seeing you back safely in September. Best wishes, Ms May

# Students' Jubilation at the Jubilee

We were immensely proud of our students who participated in celebrations for the Queen's Platinum Jubilee in June. Pictured are Lola Poulson 7G and Meredith O'Callaghan 7O who sang in the London Youth Choir alongside Jason Donovan at the special Jubilee Concert. Then Jasmine Howard from 10R played the steel pans in the Jubilee Pageant with Kinetika Bloco. Also, through her involvement with Sea Cadets, Samarah Dado from 9B read a prayer in the Jubilee Thanksgiving service at St Paul's Cathedral. The service was attended by the Royal Family, Prime Minister, many dignitaries, and was watched by millions all over the world. It was wonderful to see our students taking part in such an iconic event - well done to all of them!

## Surveyors' gifts fall into Sixth Form laps

We had a really exciting delivery in our Sixth Form this term!

Master of the Worshipful Company of Chartered Surveyors (WCCS), Ken Morgan, Education Committee Chairman Clwyd Roberts and Liveryman Julian Smith went to St Saviours and gave ten i7 high quality refurbished laptops to Six Form students.

The WCCS supports SSSO, along with other schools and charities. These laptops will be so useful for Sixth Form students to use in school!

## Lunch - Merchant Taylors' Style

On Tuesday 13th July, students from Years 7,8,9,10 went to the Merchant Taylor's hall in the City. The students had been nominated for their outstanding behaviour throughout the year and this was our reward.

We were given a tour of their hall and learnt about the history of their company and then we attended a formal lunch and were shown told how to prepare cutlery in a formal setting.

This was an excellent experience for all the students who were invited.
