Dear Parents and Carers

May I first take this opportunity to wish you a belated happy new year, and I am pleased to confirm that our communications issues with emails to parents have been resolved and our systems are now working well.

We have just received our Ofsted report following the inspection in November 2022, and it will be live on the Ofsted website from Monday 16th January 2023. It has been posted on our website today and the link is [here](#).

Please do read it carefully and if you have any questions or comments please do not hesitate to contact me via my PA, Talitha Warren at twarren@ssso.southwark.sch.uk.

It is pleasing to see that they noted many of the strengths of our school, and they suggested just one area for improvement. We accept this point, and had in fact already made it a priority for this year.

As with all feedback we will reflect on this report and then act, to ensure we continue to provide the best possible education and opportunities to our students. We welcome all feedback, from all within our community, and look forward to seeing many of you at our inaugural Parent Forum on Wednesday 1st February 2023.

In the same week as the inspection our 'Progress 8' score was published by the Department for Education. Our score was 0.7, our best ever, and puts us in the top 8% of schools nationally for academic outcomes.

Thank you for your continued support of our school and your child.

Yours faithfully

Catherine May
